# SQUIRES

Our team at SQUIRES take allergens very seriously and make every effort to ensure that we rigorously follow the guidance set out by the [Food Standards Agency](#). We continually review and update our ALLERGENS list and work with suppliers that we trust and know to have strong health & safety practices in place.

The majority of our food is fresh prepared in store daily, although our staff go through training and we have rigorous practices to eliminate cross contamination we cannot guarantee that any of our products are 100% allergen free.

**Therefore, if you have a very serious reaction to any food allergens, please seriously consider whether purchasing food from us is safe for you.**

If you would like to discuss any Allergen before ordering please call us on 01271815533 and we will be happy to help.
